MEMORANDUM FOR: Project Director

SUBJECT : B and A-2 Product at [redacted]

25X1A

1. For your information, the attached papers from Art Lundahl deal with the respective qualities of the B and A-2 product handled at [redacted]

25X1A

25X1A9A

2. I have learned from [redacted] that after the first B mission and the poor quality was noted [redacted] was subsequently apprised of the facts. [redacted] eventually requested a memorandum from [redacted] on the matter. The memorandum had not been completed yet when [redacted] returned home.
